

## IBT NUTCRACKER PARTY GIRL HAIR INFORMATION

Party Girls in the Nutcracker have curls or ringlets carefully styled into their hair. This is a classic look for the time period in which the story of the Nutcracker takes place. For images with examples, please visit **ACT I** of the International Ballet Theatre's Nutcracker Gallery: [Nutcracker Gallery](#). One example is included here for your reference: [Party Girl Curls](#).

### WHAT WILL YOU NEED?

1. [Hot Roller Set](#) - *If your dancer has very long and thick hair, it is recommended that you purchase an extra set of large/jumbo curlers for your hot roller set.*
2. Clips - Usually these come with the roller set.
3. Large hair net
4. Hair gel
5. Spray on heat protector
6. *Freeze It* brand hair spray

Dimensional Curls!

**ROLLERS:** Professional quality rollers - Recommended rollers: BaBylissPRO Nano Titanium Roller Hairsetter OR Conair Xtreme Instant Heat Multi-Size Hot Rollers (Model CHV26HCXR). If you have really long, thick hair, you will want to use large/jumbo curlers. For dancers with a lot of hair, you may need more than one set of rollers. Stores like Sally's Beauty Supply locally or Amazon online will have extra rollers sold separately from the sets we recommend.

**LARGE HAIR NET:** Larger & Stronger than a typical net for a bun. Holds curlers once they are set in place, especially during the warm up class on stage. See photo below of a previous party girl during rehearsal:
